Thank you!! Thank You!! Thank You!!!

I will be forever grateful for your work, support and friendship. It has been a pleasure and an honor to have served you, since August 2000, as your Resident Officer in the capacity of Sect-Treas, Executive Vice President and currently President, representing you and all NAPS members throughout the country, to the best of my ability. It was your hard work and dedication that made it possible for me to be successful in being elected to serve in each of these positions.

It was because of you that I accomplished my dream of becoming the National President of NAPS and representing all the members I truly love. With that being said, the time has come where I have decided not to run for the office of President at the 2016 National Convention in National Harbor , MD.

I have talked it over with my family and I decided that, while I'm still in good health, Bonita and I plan to spend more quality time with each other, and for me to spend more time with my 7 year old grandson. We will do some traveling, as the Vatican City is on my 'bucket list'.

I will still be actively involved in NAPS at my local and state levels, attend LTS and Nationals. So, thank you for all your years of helping and supporting me as I will be forever in your debt and proud to call you my friend. May God Bless you and your family, as He has Blessed Bonita and I.

Again, THANK YOU!!!
