

Dear New England Area NAPS Members,

My Name is Jeffrey Salamon, NAPS Branch 47 Connecticut President. First I would like to thank Greg Murphy for all he has done for us as New England Area Vice President. He was always a Gentleman and an Advocate for all of us here in the New England Area. With that said, I would like to announce my candidacy for the Vacated position of New England Area Vice President.

During my 25 years in the United States Postal Service, I was Letter Carrier for 9 years. During that period I was a Shop Steward and President of NALC Branch 47 and 60 prior to being promoted to Supervisor of Customer Services. I have held several positions as Supervisor, Manager of Customer Services, and detail as POOM 8 in Connecticut Valley District. I am currently Stamford, Connecticut's Postmaster.

I have been President NAPS Branch 47 in Connecticut for 2 years now. We have grown our branch each year by adding new members and advocating for their rights. I am very knowledgeable of the issues that our members face on a daily basis. I feel I can represent the New England Area because I am out in the battlefield every day and I have the relationships with district leadership that is needed to be taken seriously.

My biggest issues to tackle are, Pay for Performance, Amazon Sunday Work, SWC's Workload and Dignity and Respect that are members deserve.

I look forward to meeting all of you at the National Convention Next Month.

Thank you

Jeffrey Salamon
NAPS Branch 47 Connecticut President.
