

**2015 LEGISLATIVE TRAINING SEMINAR
MARCH 8-11, 2015
CRYSTAL GATEWAY MARRIOTT, ARLINGTON, VA**

LTS Bulletin #3, February 27, 2015

The NAPS Legislative Team looks forward to welcoming all LTS delegates to Washington in a week from now. Although it will be too early for cherry blossoms, we trust that warmer temperatures will return to the Nation's Capital by then!

LTS Issue Brief Now Available

The official NAPS Legislative Issues Brief that LTS delegates will use to educate Congressional offices on our issues is posted on the NAPS website and is [available here](#).

Be sure to personally study the Issues Brief before you arrive in Washington. All LTS delegates will receive a set of talking points at the LTS to streamline your presentations during meetings on the Hill.

In advance of your meetings, please provide the Issues Brief to Congressional staffers with whom you'll be meeting. Either send it as an attachment or send the link: http://www.naps.org/images/uploads/2015_NAPS_Issue_Brief.pdf

USPS Economic Impact Data Also Available

USPS state and Congressional district economic impact data for use in Congressional meetings may be downloaded in advance from the NAPS website. You'll be provided this data at the LTS as well.

For USPS economic impact data by State, [click here](#).

Bring Your Smart Tablet and Smart Phone!

Be sure to bring along your iPad or tablet device and smart phone to the LTS for use during LTS training and meetings on Capitol Hill. We'll make an electronic file available at the LTS to download to your tablet before hitting the Hill to use during your meetings.

A smart app also will be made available for free download at the LTS to assist NAPS delegates in navigating around the Hill.
