NORTHEAST AREA EXECUTIVES

SUBJECT: Executive Announcement

I am pleased to announce the executive reassignment of Ricardo Quental, Manager, In-Plant Support, Northeast Area as the Manager, Network Distribution Center, Springfield, MA effective September 2, 2017.

Ric began his Postal career in 1993 as a City Carrier in Glastonbury, CT. He has extensive experience in mail processing including several operations positions at the Southern Connecticut Processing and Distribution Center. He subsequently held the position of Plant Manager, White River Junction, VT Processing and Distribution Center before his first executive position as Senior Plant Manager, Providence, RI Processing and Distribution Center and then Manager, In-Plant Support for the Northeast Area. Ric most recently was acting as the Senior Plant Manager, Brooklyn, NY Processing & Distribution Center.

Ric is a graduate of the Advanced Leadership Program and the Processing and Distribution Management Program and has attended Executive Leadership. He is Lean Six Sigma Black Belt Certified. He holds a bachelor's degree in Business Management from the University of Connecticut and a master's degree in Management from Albertus Magnus College.

Please join me in wishing Ric continued success in his new assignment and offering him your full support and cooperation.
