Dear Brian:

The Postal Service is revising PS Form 4003, *Official Rural Route Description*. The primary purpose for this revision is a modification in formatting to facilitate legibility and to provide a more streamlined display.

Additionally, the revision includes the removal of the "Converted to centralized boxes only" section, which is now obsolete.

We have enclosed the current and revised versions of the form for your review.

If you should have questions, please contact Henry Bear.

Sincerely,

A handwritten signature in cursive script that reads "Cathy M. Perron".

Cathy M. Perron  
Manager  
Contract Administration (NRLCA)
