Nonbargaining unit employees may receive promotion increases based on the distance from the maximum of the new grade as follows:

Factor #1

Award this percentage...	If the employee's current salary is...
5 to 10	Greater than 20 percent from the maximum of the new grade.
4 to 8	10 to 20 percent from the maximum of the new grade.
3 to 5	Less than 10 percent from the maximum of the new grade.

Incumbents in this position will receive a 2 percent basic salary increase. The increase is adjusted higher if necessary, to bring the salary to the minimum of the new grade. The increase is adjusted lower if necessary to keep the salary from exceeding the maximum of the higher grade.

8. USPS/NAPS WORK GROUPS

The Postal Service and the National Association of Postal Supervisors have agreed to create a joint work team for the purpose of exploring and resolving issues regarding Field EAS salaries and grades. The intent is to complete work on this so that any changes will be implemented in FY2019. In the event the work team is unable to conclude their work on the pay issues in question prior to September 4, 2018, the parties will reconvene to determine increases to the salary ranges for FY2019.
